l. **Sewerage.** All dwellings and all commercial, public, or industrial buildings shall be connected to the public sewer system when available. m. **Exceptions.** The construction of small accessory buildings not used for living purposes, together with minor alterations, repairs and general upkeep of existing buildings shall be exempt from the provisions of this ordinance.

6. **Amendment.** This Ordinance may be amended by a majority vote of any legal town meeting when such amendment is published in the warrant calling for the meeting.

7. **Enforcement.** Upon any well-founded information that this Ordinance is being violated the Selectmen shall take immediate steps to enforce the provisions of this Ordinance by

seeking an injunction in the Superior Court or by any other appropriate legal action. Whoever violates any of the provisions of the above regulations shall be punished upon conviction by a fine not exceeding ten dollars for each day of violation.

8. **Takes effect.** This Ordinance shall take effect upon its passage.

9. **Conflicting provisions.** Whenever the regulations made under the authority hereof differ from those described by any statute, ordinance, or other regulations, that provision which imposes the greater restriction or the higher standard shall govern.

10. **Validity.** If any section, clause, provision, portion, or phrase of this ordinance shall be held to be invalid or unconstitutional by any court of competent authority such holding shall not affect, impair or invalidate any other section, clause, provision, portion, or phrase of this Ordinance.

16. To see if the Town will vote to authorize the Selectmen to act as Building Inspectors who shall hold office for the term of their office as Selectmen, and by vote fix and regulate their compensation as authorized by Section 1, Chapter 156, N. H. Revised Statutes Annotated, 1955.

This is to certify that I have audited the books of the Town of Roxbury for the year ending December 31, 1955.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectmen and Trustee of Trust Funds (including examination of securities). After completion of my audit, the books and records of the town reflect its true financial condition as of December 31, 1955, to the best of my knowledge and belief.

I find that town officers are bonded by surety companies as required by law. Uncollected taxes reported by the tax collector have been verified by written notice.

I would like to thank the town officials for their cooperation during the period of the audit.

Respectfully submitted,

OLIVER F. DERBY,

Town Auditor.

REPORT OF SUPERINTENDENT

The second year of Roxbury elementary pupil attendance at Marlboro has been successful and apparently satisfactory. The pupils have fitted into the program well and are making good progress. There are many advantages to attendance in a small school, perhaps the chief one being that the teachers get to know the pupils personally and can thus better help them in the learning process. Though not a city school Marlboro pupils have the help of specially trained reading teacher, music teacher and art instructor. The school staff and school board hopes that some of the Roxbury pupils may like our program here so well that they will continue into Marlboro High School.

Pupil transportation, once a sore spot in Roxbury school affairs; now seems to be functioning efficiently and providing all pupils from grade one through high school with prompt and safe transportation.

A decrease in the total school population in Roxbury has reduced the school budget and enabled the school board to return substantial balances at the end of the year. This happy condition may well cease abruptly if a few large families move into the community. I see little reason for the people of the community to be dissatisfied with school affairs at this time.

DR. CHARLES L. BOWLBY,
Superintendent.
